About This Game

Sunny smile, is cheerful, charming, modest and sweet, but cunning foes do not give him rest. Again and again you have to pacify villains, saving from the conclusion of nice birds. You are waited by the sea of adventures and good mood.

Release all birds from the cells, only with the release of each bird the Smile will be able to enter the new world. Otherwise, the player must again try to collect them in the levels.

Scattered across the levels of small blue spheres - it's beads of energy. If Smile collects enough of these balls, then they can be used to pay Magic Mouse to buy different spells.
